PARAFFIN ~ Cleanse, eyebrow tidy, massage and paraffin mask

Nourish and soften your skin with a unique paraffin facial. After cleansing and toning, we apply warm and gentle paraffin. Relax while the power of the mask destroys free radicals, stimulates collagen and cell turnover plus hydrates the skin. After removal of the paraffin, fine lines and wrinkles disappear and a beautiful healthy glow emerges.

DEEP CLEANSE ~ As Basic Facial, including exfoliation and facial electrotherapy (High-Frequency; Galvanic; Ozone steam; Vacuum Suction)

This is an excellent treatment that aims to improve the appearance and condition of the skin. It is a totally relaxing experience, consisting of cleansing, toning, exfoliating, plus a facial massage and mask to suit your skin type. The facial massage will increase oxygen and nutrients to the skin and muscles, relieve tension and fatigue and improve the texture of your skin. Total Relaxation.
